Sprint Events – List of directly qualified athletes in Semi-Finals

For 100m, 200m, 400m, 100/110m Hurdles and 400m Hurdles (Men and Women) the qualification system will be as follows:

- There will be 3 rounds: Pre-qualification round, semi-final and final;
- The pre-qualification round will include all athletes entered and eligible to compete, except the 12 top athletes (12 best ranked athletes according to the "Road to Rome") who will directly qualify for the semi-finals;
- The athletes to be directly qualified for the semi-finals are the entered athletes who are in the top 12 of the "Road to Rome" list (max 3 per country – 4 in case of wild card) as at 30/05/2024 (14:00 CET), as listed below.
 - The 12 best ranked, entered, athletes according to the "Road to Rome".
 - In case more than 3 athletes of one country are entered and are part of the 12 best ranked athletes, only 3 athletes are taken into account to determine the 12 best ranked athletes. The federation needs to confirm at the time of the final confirmation which athletes participate. (except in case of wildcard where 4 athletes can participate).
 - The 12 best ranked, entered, athletes, or more in case of a tie for the 12th place.
 - In that case the number of athletes to qualify from the pre-qualification round will be decreased based on final number of athletes directly qualified for the semi-finals.
 - The 12 best ranked, entered, athletes, or less in case an athlete will not be confirmed at final confirmation or is withdrawn before the pre-qualification round.
 - In that case the number of athletes to qualify from the pre-qualification round will be increased based on final number of athletes directly qualified for the semi-finals.
